

Food Truck Nights have returned this summer!

Spread the word to your friends and neighbors!

Help support these businesses that have been hit so hard during these past few months.

Each one of the Food Truck Vendors has agreed to provide the church with a donation based on sales which will be applied to the parking lot fund!

Everyone will need to abide by current safety/hygiene regulations for COVID-19 which includes social distancing and wearing of masks.

This is a carry out event only!

The Food Truck will be serving between the hours of 4:30 and 7:00 pm!
